10161199Q

Dear Sir / Madam, *Mr S. Kidd,*

Your supervised test paper has now been marked and your I.Q. on the Cattell scale appears to be *150* which is higher than would be achieved on this test by 98 / ~~99~~ per cent of the population.

A score at this level qualifies you for membership of Mensa and you are cordially invited to join. All you need to do is to complete the enclosed form and post it back, together with either a completed Direct Debit form, or equivalent payment by cheque or postal order. All subscription rates are inclusive of Value Added Tax at the standard rate.

There are reduced subscription rates available for second and subsequent members in the same family living at the same address. The Treasurer will also consider reducing the subscription if you are in financial hardship, since Mensa does not wish to exclude people from membership on purely financial grounds. Please write to us if you would like further information on reduced subscription rates.

Your subscription covers one year's membership and is renewable annually on the anniversary of your joining.

Copies of some recent Mensa publications are enclosed for your information. Once your completed form and subscription are received your name will be added to the mailing list.

Yours faithfully,

Harold Gale, B.A.
Executive Director
